

Plante Moran IT & Accounting Job Opportunities

Hello CIS Club,

I hope your week is going well so far. Just a reminder, Recruiters from Plante Moran will be giving a presentation at the CIS Club tomorrow (Wednesday, 9/28) at 5:00PM. The meeting will be held in Room 201 in the Owen College of Business.

Plante Moran is the largest CPA firm in Michigan and has been rated "*100 best Companies to Work For*" by Forbes for 18 consecutive years. They have an IT Consulting division that is rapidly growing and they will be offering summer internships and full time jobs so I would highly encourage that you bring a resume and get some face time with the recruiter as well. Hope to see you all there!!
