

Good Afternoon,

Our Family of Staffing Companies is delighted to reinstitute our Corporate Internship Program with opportunities in Recruitment, Human Resources and Marketing. Our Companies have offered excellent Internship positions offering training and "Hands On" experience handling key responsibilities. Many of our Interns have gone on to be hired as Full-Time Team Members with our Companies.

We were looking to see who handles your Internship Program so that we can send him/her the details of the positions we have available.

As a family owned, woman owned staffing firm we are in the business of finding the right employees for our Clients but more importantly, our mission is to make a difference in the lives of our Employees, Clients, Team Members and the Community. We hope to further our mission by partnering with you to offer a great Internship experience to eager students or individuals looking to future their careers.

Please email Venessa at venessa@personnel-unlimited.com with the name of the contact person we can follow up with and if you have any questions or concerns, please call us at (586) 751-5608.

Thank you for your time. We look forward to working with you!
